

REMARKS

Reconsideration and allowance of the above-identified application in view of this amendment are respectfully requested.

Amendments to Drawing Figures:

In Fig. 4, reference to numeral 40 has been added, designating the axle in the figure; reference numeral 142 has been added at three points as to designate frame amendments; reference numeral 200 has been deleted at two points.

In Fig. 5, reference numeral 142 has been added at two points; reference numeral 1200 has been changed to 200 at two points.

Amendments to the Specification:

Language has been added to provide correspondence with the drawing and the claims. No new matter is involved.

The drawing and the Specification has been amended to obviate the objections set out in Section 1(h) of the Office Action.

1           The prior art of record cited but not applied in the  
2 rejection of any claim has been reviewed but is not considered to  
3 affect the allowability of the claims.

Respectfully submitted,

6 Dated: September 1, 2006

Henry M. Bissell  
Attorney for Applicant
